

## Helpful On-line Shopping Hints

- 1) Check your Email after I register you on my web site.  
(It might be in junk/SPAM. If so, mark it "not junk").
- 2) Click on link & Login to my web site with your Email & password I sent you.

### Your Email Inbox:

Your login is: **[Your Email]** Your password is: **[password]**

[Click Here](#) to login and search for all MLS residential listings in the Omaha Area.

- 3) Search for Homes. I show all active MLS home listings in the Omaha area.
- 4) Save your search.

5 homes found.

[Save This Search](#)

for Email Alert on new listings that match criteria.

## Interact with me on your Favorites

- 1) Find homes you like & [Add to Favorites](#) for us to review together.
- 2) [Submit Note](#) on Favorites and I'll answer questions on these properties.
- 3) As we narrow your selection further, choose  Show me this home on those Favorites you want me to show you.

## The More We Know, the Better the Experience.

- 1) Be sure to check all the tabs on the Property Details Page. My web site has several pictures and map views as well as specific details.
